

Section 330 Grant Workshop

Radisson Woodlands Hotel
Flagstaff, AZ
May 31, 2007

Sponsored by:
Native American Community Development Program
Office of Health Systems Development
Arizona Department of Health Services

This workshop is funded by a Health Resources and Services Administration (HRSA) Grant.

WORKSHOP DESCRIPTION

Learning Objectives:

1. Become familiar with the HRSA Section 330 Grant eligibility criteria
2. Become familiar with the benefits of a Section 330 Grantee
3. Identify the steps to becoming a HRSA Section 330 Grantee
4. Understand what the Medically Underserved Area/ Population designation is
5. Information on the Federally Qualified Health Center look a like program will also be presented
6. Hear from a Tribal Section 330 Grantee about their experience

What is a Section 330 Grant?

Section 330 of the Public Health Service Act defines federal grant funding opportunities for organizations to provide care to underserved populations. Types of organizations that may receive 330 grants include: Community Health Centers, Migrant Health Centers, Health Care for the Homeless Programs, and Public Housing Primary Care Programs and may also include Urban Indian Centers and Tribal Organizations.

Who should attend?

This workshop is an overview of the Health Resources Services Administration Section 330 grant program. Participants should include staff from Tribal Organizations, Urban Indian Centers, Indian Health Service and any other organizations that serve a predominant Native American population primary care services or collaborates with.

Personnel may include but not limited to:

- Chief Executive Officers of urban Indian and tribal health centers
- Board Members of urban Indian and tribal health centers
- Indian Health Service personnel
